### THE CONSERVATIVE RECORD:

## Dorset Police slowest at picking up 999 calls in England

**Dorset Echo, January 2024**

I have the breadth of experience to be Dorset's next Police and Crime Commissioner. My background spans engineering, finance, education, and public service, I will bring my experience to Dorset Police.

Every crime matters - every victim matters. Dorset police are stretched thin. It's time for our police to demonstrate that every crime matters. I will fight to ensure every Police Officer and PCSO will be trained to a good standard in investigation, so that every reported crime is taken seriously.

Prevention is better than crime. Police record crimes that have been reported or detected, but not those that are prevented. As your Police and Crime Commissioner I will prioritise crime prevention in Dorset by ensuring every Police Officer and PCSO is trained to a good standard of crime prevention.

Stronger community policing. Liberal Democrats believe that community is at the heart of everything we do. As your Police and Crime Commissioner, I will ensure every Police Officer and PCSO is trained to a good standard in public contact.

Across Bournemouth and Dorset, elections are between the Liberal Democrats and the Conservatives. On Thursday 2nd May, back the Liberal Democrat team that is working hard for you all year round.
